Note

Each runs in a modular 1-month sequence with the same
Monday–Thursday format, including seminars.

Second Semester begins in June 2026 and ends October
2026 with a Proposal Defense.

MT means Must Take, a requirement for graduation.

Transfer Students would take part in the seminars and
depending on their concession move straight into their
supervision tracks.

Top-up Students would takes the seminars and their
comprehensive exams before moving on to thesis track.
